SPRING FROLIC PLANS MADE FOR CAMBRIAN AND UNION DISTRICTS

Biggest event of the year for residents of Union District and Cambrian Park will be a day-long carnival, the Spring Frolic, which will take place on Saturday, April 25, from 10:00 a.m. to 6:00 p.m. on the grounds of Union District Elementary School on the Los Gatos-Almaden road just west of Union avenue. The carnival is being arranged by the Union Home and School Club, but is enlisting the participation of other community groups such as the Cambrian Park Improvement Association, the Union Dads Club, and both Boy and Girl Scouts. Proceeds have been earmarked by the mothers for the student body's locker fund, a $1500 project undertaken by the students to provide lockers for seventh and eighth grade students to hold athletic gear, musical instruments and other personal and valuable equipment.

Main attractions will be the club's annual rummage and white elephant sale under Mrs. William Faria, a pony ride and tiny motor car ride, a pet show in two divisions for large and small animals, a parade featuring youth groups and drum and baton units from both Union and Cambrian schools, and baseball games between fathers and sons and between mothers, women teachers, and daughters.

Entertainment of various types, as well as booths for games of chance and articles for sale, will be available. Explorer Scouts, under William Murphy, will show movie cartoons; teachers under Mrs. Florence Southard, will have a sight show, in addition to a fun house and the pony-cart rides and the small motor cars. Child care for babies will be in charge of women from the Cambrian Park Baptist Church and for pre-school children by girls from the Teen-Age Round Up.

GRAMMAR PTA HEARS NEED FOR BUILDING

Dedication ceremonies for the new building additions at Campbell Grammar School were held in connection with the Campbell Grammar School P.T.A. meeting on Tuesday night. Mr. Edwin O. Van De Mark, president of the board of trustees, spoke briefly on the need for these new rooms as well as the future need for new schools. These will be necessary to accommodate the requirements of the growing community, he said. In conjunction with this, he urged the approval of the residents for the new bond issue which will be presented for vote in June. Other members of the board of trustees introduced by Mrs. Dorothy Royce were L. E. Means and E. A. Merrill as well as Wm. C. Henley, district superintendent.

The meeting was opened with the pledge to the flag by two Camp Fire girls from the Odawakea group and the reading of the inspiration by Mrs. Albert Barileau.

Mrs. George Duncan read a proposal from the Executive Board to give $200 to the Student Council toward the purchase of a television set, which was approved.

Andres, Jr., was introduced as moderator for the round table discussion, and she in turn presented her panel which included Gail Gerlach and Donald Dutton, representing the students; Mrs. S. P. Arnold, Jr., and Homer Hyde, representing the parents; Mrs. Thelma Wathen and Harold McGill, representing the teachers. The ensuing discussion of "Family Fun" brought out numerous suggestions for games and activities which the family can share and enjoy together.

Duane Beaubien, vice principal, next made the football and basketball awards to the various team members who had earned either a block letter or star during the year, while L. E. (Bill) Means, secretary of the board of trustees, presented the trophies to the basketball teams' Captains. In making these awards, Mr. Means pointed out that those participating in sports must make themselves better than the average person in every way, since the younger children will use them as examples for their own behavior.

Following a tour of the new rooms and buildings, refreshments were served by the 2nd grade mothers in the cafetorium.

CAPITALISM, COMMUNISM COMPARED

Campbell Rotary Club at their regular meeting Monday noon, received a comparison of the Capitalistic and Communistic systems as they presently operate in the divided rule of present day Germany, from Dr. David McKaye, Adult Education Bureau of San Jose.

From the standpoint of individual and collective welfare, the capitalistic operation of West Germany has made it a shining example of the value of the system.

According to McKaye, West Germany now has nearly full employment with sales, markets, and production up to 30 billion dollars yearly. Prices are stable and housing is at an all time high. Education also, McKaye, said, is back to the pre-Hitler status. Much of the improvement is due, McKaye said, to United States aid.

East Germany, on the other hand, according to McKaye, has instituted the familiar communist pattern of land collectivization, which program is nearly completed. This program comprises nearly 2 per cent of all the arable land.

McKaye said that according to Ernst Reuter, West German chancellor, the famine level has nearly been reached. There is a coal and power shortage; production is low. Farmers are fleeing to the West and there is much political turmoil.

McKaye said that planning and liberty cannot exist together. He mentioned that Yugoslavia is rapidly going over to the capitalistic system.

MRS. MINEHART IS RECOVERING

Campbell Axuiliary Police Force netted $500 from the concert presented by the "Cabin Boys," touring Negro quartet, at Campbell High School Auditorium last Thursday night attended by an enthusiastic audience of over 400, according to George French, ticket chairman. French said that 826 tickets were sold. Sponsoring organizations, Rosemary Home and School Calub, Methodist Men's Club, Campbell Business and Professional Women's Club and the Campbell's Lions Club, through spokesmen, said they were well pleased with the large attendance in spite of inclement weather.

The money will be used to purchase uniforms and other needed equipment for the auxiliary police force.

The Cabin Boys during the one and one-half hour recital sang a number of songs including "Esekial Saw The Wheel," "Home on the Range," "Swing Low, Sweet Chariot," and "The Lord's Prayer."

In the early portion of the program Emanuael Mansfield, the first tenor, sang a trio of songs which were, "Birth of Dawn," "Sing a Song of Sixpence," and, "Plenty Good Room in My Father's Kingdom."

Immediately following the intermission, Livingston A. Lashley, their accompanying tenor, sang the "Hills of Home." His encore was "Because."

In the latter part of the performance, Calvin C. Weems, Basso Profundo, did an old favorite "Old Man River." He then deviated from the program with a request encore, "That Old Black Magic." Their baritone, James Templeton, sang "Home On the Range," with the group accompanying him near the midpoint of the show.

The Cabin Boys came to Campbell while on a Transcontinental and Canadian tour. Their next destination is South America. From there, they travel to the East where they have 1V interviews and recording sessions scheduled.

"The Preservers of the Negro Idiom," a name which they received while in Canada, also have a TV interview with Louella Parsons in the near future.

The Cabin Boys expressed appreciation for the reception they received during their stay in the Campbell area.

Campbell residents are assisting with the mailing and other work of the fund-raising crusade in this area, it was stated.

CAMPBELL HI-LITES

Both the sophomores and juniors taking world history and the seniors taking U.S. are engrossed in term papers these days. The idea is to choose a topic in which one is interested, read some good books on it, take some card notes, design an outline, and then write a carefully documented paper stating some of the conclusions reached as the result of the study.

You should have heard the groans when this gargantuan assignment was announced. Nobody but nobody thought they could do it; few wanted to; everybody had to. Gradually everyone got started. A few trips to the library, the borrowing of a few teachers' San Jose library cards, and a look through some of LIFE magazines resulted in some unexpected enthusiasms:

Say, is it all right if I write a history of man and flight?"

"I've always wanted to find out more about Hitler. Wonder if he is really dead anyhow?"

"Suppose I can find much on concentration camps?"

"I'm interested in the great men of science. Think I'll try to dig up something on Leonardo da Vinci . . ."

. . . which proves that everyone is interested in something or someone besides himself. Some of the rough drafts we've already read would do an adult proud. We do have some real flair for them writing in spite of the pessimism expressed by one of our seniors:

I slave on this paper they call a "term"
I sweat, and I strain, and I squirm,
I can't get the ideas to jell
Not even so much as the "germ"
I'm convinced I can't make money writing
For I wouldn't have the nails for the biting
And with so many things more exciting
Why should one and his pen be afighting?

Oma KI Tri-Y is busy preparing for its big TEEN AND ADULT FASHION SHOW to be held in the girls' gym on Tuesday night, April 21st, from 7:30-10:30 p.m. For 75 cents admission you'll see some lovely models in clothes from Hales and be provided with entertainment and refreshments as well. Even the two commentators, brunette Henrietta Panyagua, and blond Karin Stanek are eye-catchers. Girls were never so chic when we went to high school—and that was after the high button shoe era.

This is a BIG sport's week at Campbell High. This afternoon the SCVAL baseball game of the week is being played right here on Buc's Field at three o'clock between undefeated Mountain View and undefeated Campbell. We're hoping that our Buc's don't end up with the headache of a defeat especially after that talented M.V. pitcher, Orv McElrath, has been described by Coach Miskulin as being able to "throw it in the size of an aspirin." Our own hurler, Ron Bacon, is no slouch either, and it should be a great low-scoring pitchers' dual.

On Saturday twenty-three Campbell high trackmen will be up at Davis participating in the "Davis picnic" one of the West's largest secondary track meets. The Buc Spikemen will compete against fellows from schools all over northern California in the large-school class as well as enjoy a trip up to one of California's most famous college campuses.

Our swim team is busy preparing for another big meet—this one against Fremont at their pool next Tuesday. They're still glowing from their 54-20 April seventh victory over Livermore in San Jose State's pool, which also matched our freshmen Merman against the Spartababes. Among the heroes were doublewinners Bob Nichols (50 yard and 100 yard free styles) and Bill Kaufman (100 breast and 150 individuals) and Ben Sloot and Richard Callaway both of whom beat State in diving events.

Faculty Advisor Ralph Noddin is busy contacting all school clubs about serving in booths and concessions at the forthcoming Annual School Carnival, date and time of which has not yet been determined. "But it will be bigger and better than ever" says Mr. Noddin—and he's never been one for overstatement.

Hope to see you tomorrow night at Campbell High's ninth annual Spring concert. As guest editor, Marilyn Peters, said so well in the school paper's editorial yesterday, Campbell high has musical champs too which deserve to be supported as well as the football and basketball winners. Both Campbell's choir and orchestra have received superior ratings and won recognition all over northern California. Campbell High's orchestra is among the very few in the state with full symphonic instrumentation and size, and our chorus has richly entertained many fraternal groups of the Campbell area. Tomorrow night the CUHS orchestra, chorus, choir, and band all join together in a rich medley of musical enjoyment featuring some of the most remarkable soloists ever to grace a Campbell stage. Time: 8 p.m., Friday. Tickets: only fifty cents and still available.

Gilliam, corresponding secretary; Mrs. Cel Gerevas, treasurer; Mrs. Martin Walsh, auditor; Mrs. Milton Parker, historian; and Mesdames Emil Kollmer and Charles Smith, directors.

Mrs. J. Norman Corvello was the installing officer.

The new officers were presented with beautiful leis of fresh flowers while being installed.

The club room was beautifully decorated with fresh Hawaiian flowers, fruits and grass skirts draped the president's desk and piano.

The program contained Hawaiian dancing by Sharon Strong, Shirley Matei and Dana Stearnes.

After the program dainty refreshments were served from a table set with bright yellow fish net cloth.

The center piece was a miniature lake with two miniature palms trees and a grass shack.

With dark green, light green and yellow candles at one end of the table.

The next meeting of the Campbell Garden Club, will be held next week, at which time the Spring flower show, a coming project of the Club, will be discussed.

The Campbell trio, including Charles Stevens, Ken Brown and Larry Newberry sang three songs that were enjoyed by everyone present.

Mrs. Eugene Andres, Jr., president, called the meeting to order; minutes of the last meeting were read by Mrs. K. Bitzer.

Mrs. W. R. Morgan, incoming president, will go to the State Convention as a delegate of Campbell High School P.T.A. it was announced. She will tell of her trip at the next meeting.

Harold Drummond introduced Dr. B. Enerson, who spoke on the Reading Problems and what is being done in the high schools today to help children become better readers.

The next meeting will be held May 20 with Installation of Officers being held. Mrs. H. C. Grimes will be the installing officer.

ON CAPITOL HILL

with "Charlie" Gubser

REPRESENTATIVE IN CONGRESS
TENTH DISTRICT, CALIFORNIA

Last week was Cherry Blossom Week, minus the blossoms. The annual Festival was scheduled months ago and could not be changed when the famous blooms appeared two weeks early.

First event of the week-long program was a lunch and fashion show at the Statler Hotel. Mrs. Gubser attended and beamed with pride when the printed program revealed that only California fashions would be shown. It looks like our state is now the fashion center of the nation as well as the finest place to live.

For the first time since 1941 the annual Easter Egg Rolling tradition was resumed and the children of Washington (my daughter among them) were granted access to the White House grounds. Egg Rolling used to be a contest which involved the rolling of an egg between two fixed points. Actually the sport has become a picnic which this year was enjoyed by almost 30,000 children and parents . . . the green lawns surrounding the White House assumed a yellow cast from the countless broken egg yolks and needless to say the custodians are happy that Easter comes but once a year.

Last Thursday Mrs. Gubser and I had the privilege of meeting the Chancellor of West Germany, Dr. Adenauer, and Mrs. Adenauer at a reception in their honor at the Mayflower Hotel given by the German Embassy. This was our first diplomatic reception and we were not disappointed with the dignity and grandeur of the occasion.

There was a marked increase in the volume of mail coming into my office which mentions the name of Senator McCarthy. Most of it condemns the Senator's lack of cooperation with the Eisenhower administration. I am guessing that President Eisenhower will not clash with Senator McCarthy but will eventually secure the complete cooperation of the Wisconsin senator. Mr. Eisenhower is noted for his ability to promote team work.

This week marks the end of the Easter Recess and the beginning of the real work of the 83rd Congress. Appropriation bills are now being debated and our schedule calls for completing them by May 10th. The House by the terms of the Constitution must originate all appropriation bills and if we are to adjourn in July the House must dispose of them by May 10th in order to give the Senate ample time to consider them.

Fashion Show To Benefit

Campbell High School girls of the Oma KI Tri-Y Club will sponsor and model clothes from Hale's Department store in San Jose, in a Fashion show to be held in the girls' gymnasium, April 21.

The show, which will include entertainment and home-made refreshments by the girls, will be staged for the benefit of the club.

Entertainment will include singing and dancing by Gail La Barbra, Marline Moore and Anne House.

CUHS Oma Ki Tri-Y

Commentators, under the direction of Club advisor, Mrs. Bertha Vekander, include: Karine Stanek and Henrietta Panyague.

R. R. CALDWELL, Sacto., Highway Patrol Commissioner—"One of the best ways to teach safety to children is for parents to set good examples."

CAMPBELL REGISTER

The American Legion Auxiliary, No. 596, will hold a cake sale on the last Saturday in April. Further particulars will be announced next week by Mrs. HERBERT MYRING, president.

Mr. VERNER LAWSON of East Campbell Avenue returned recently from Ottumwa, Iowa, where he had visited for two weeks with relatives. Mr. and Mrs. Lawson came to California last Fall from Ottumwa, where they were married and lived until Mr. Lawson retired. The couple purchased a home here and are well pleased with the community, though they did expect the climate to be a little warmer in the early Spring, just as many old-time Californians continue to expect.

The Campbell Community Club feted Mrs. ALAN YORK at a shower and housewarming breakfast on April 6th in Mrs. York's new home on Forrest Avenue. The group's house gift was a child-size maple rocking chair. Also feted at the breakfast was Mrs. WILLIAM CASTERSON, who lately moved to Forrest Avenue, and who was presented with an ornamental brass plate.

Mr. and Mrs. FREDRICK NYBRO of Lovell Avenue are elated by the arrival of another granddaughter, DEBORAH CHRISTINE, daughter of Mr. and Mrs. PAUL NYBRO of Hedding Street, San Jose, on April 6th. Deborah's brother BOBBY is 8, and her sister CAROL is 7.

Mrs. Charles Lindgren was the recipient of a surprise baby shower Friday, April 10, at the Kenneth Ave. home of Mrs. Leland Jones.

Mrs. Lindgren was the former Frances Guisse of Brookside Ave., Campbell.

She and her husband now make their home in Sacramento. She was a 1949 graduate of Campbell

Miss HATTIE DE PUY was honored on her birthday on April 9th at a surprise potluck luncheon given in the home of Mrs. J. E. WESLEY of West Parr Avenue. More About . . . PEE-WEE BOXERS

(Continued from Page 1)

tion, Sam Lawson, principal at Cupertino Elementary School is presenting two exhibition bouts by youngsters from his school which has had a wrestling program for the past two years. Lawson, who was an alternate on the United States Olympic wrestling team four years ago, will officiate at the wrestling bouts. John Mount, teacher at Union, has been working with the boxers and says he has some well-matched boys on the card.

Sally Ruppenthal Becomes Bride Of Milton Howe In Vivan Chapel

Sally Harriet Ruppenthal became the bride of Milton Henry Howe in nuptial rites in Vivan Chapel of the First Methodist Church of San Jose. The ceremony was performed by Dr. Joyce Wesley Farr. The bride's gown was of white eyelet organdy in ballerina length, over white taffeta. A bow at the waist held a tiered train of organdy. Sally wore a coronet of orange blossoms, and her hands, in gauntlets of net, held an old fashioned bouquet of white carnations. Pearls adorned her throat and ears.

Sally was given away by Joseph Luczak, and her maid of honor was Barbara Hansen of San Jose. Barbara wore a ballerina length gown of lavender tulle over taffeta, with pearl-studded tulle coronet and lavender net mitts. She carried an old fashioned bouquet of violets.

The bridegroom's best man was Eldred Nelson. Ushers were Charles Howe, brother of the bridegroom, and John Kreig.

Nuptial songs were sung by Mrs. Oscar de Reschke, accompanied by Mrs. Mildred Moyer.

White calla lilies decked the altar of the chapel.

A reception was held in the church parlor, where Mrs. Margaret Ruppenthal, mother of the bride, greeted guests in a grey suit with black and white accessories, accented by a corsage of pale uink camellias. Mrs. Benjamin Howe, mother of the bridegroom, pinned a corsage of salmon pink camellias on her navy blue suit, which she wore with blue and white accessories.

Sally's honeymoon costume was a blue and white checked suit with blue and white accessories.

The new Mrs. Howe is the daughter of Mrs. Margaret Ruppenthal and the late Harold F. Ruppenthal of Culver City. She was graduated from Abraham Lincoln High School in San Jose and attended San Jose State College. She is a secretary at Lowell school.

The benedict is the son of Mr. and Mrs. Benjamin Howe of Campbell. He was graduated from Campbell schools and also attended San Jose State College. He is a member of Co. E, 159th Infantry, California State Guard, and is employed in Campbell.

The young couple have made their home at 220 South Ninth Street, San Jose.

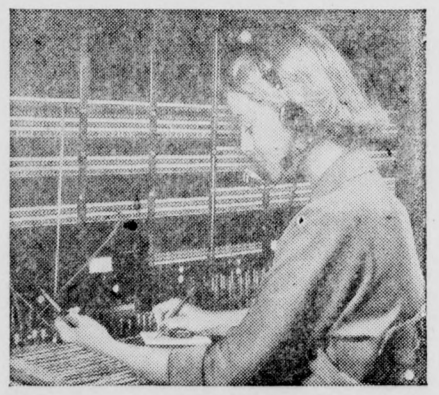
Today, with more than 35 telephones at work for every 100 people in our territory, you can now reach more people, faster than ever before.

Why you're using your telephone more today

In 1945, the average Westerner made 465 calls a year—today he makes some 621 calls annually

There are good reasons why Westerners are now making more telephone calls. Today, service is so widely available—in homes, in the business world and in public places—that you can now call nearly twice as many people, and they, of course, can call you. For fast as the West's population has grown these past years, the telephone has grown at an even faster rate. We've also made many improvements in service—which have been important in making your telephone ever more useful and valuable to you.



Faster long distance service. We've sharply reduced the time it takes to complete long distance calls, too. Operators now dial many long distance calls direct to the distant telephone ...and can usually complete your call while you hold the line. In many places, customers can now dial their own calls to an increasing number of nearby communities. And we're working in many other ways to expand and improve the West's telephone system—to bring you more —and more useful—telephone service.

On the job for pennies a call

'Round the clock and 'round the year, your telephone is on the job—ready to serve—carrying your messages for pennies a call. Surely, few other everyday things you buy are so high in value, so low in cost.

You don't have to be a claustrophobe to appreciate the wide-open roominess of modern streamliners. Nobody likes to be cooped up, and on the train you have plenty of leg room and move-around-room. There are places to go on streamliners — to the Dining Car or Coffee Shop, or to the Lounge or Tavern Car for refreshment or recreation. And, of course, there's plenty of room for your baggage. Remember, when you're going any place, that there are no finer streamliners than the Southern Pacific "name" trains listed below.

Chair Cars on Southern Pacific's modern streamliners have been built with your comfort the first consideration. Dust-free, draft-free air-conditioning. No-glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Extra large windows. Feather-touch doors. Spacious washrooms. ARE YOU SUSCEPTIBLE TO DISEASE?
A remarkable fact about disease is that the susceptibility of humans differs widely. During epidemics one person is stricken, another in similar environment is not. Two equally healthy individuals may be attacked; one will recover, the other succumb. For this there is no satisfactory explanation. One fact of which we can be sure is that regular medical attention is an important factor in preventing illness. Your physician has devoted his life to the prevention and treatment of illness. Consult him regularly. We are devoted to compounding and dispensing medications and are eager to serve you.

Zoning Commission Acts On Zone Change

County of Santa Clara Planning Commission at their regular meeting yesterday acted on a zoning change request for property in the Campbell area.

Juanita M. Bailey petitioned to reclassify property on the east and west side of San Jose-Los Gatos Road from Camden Avenue to a point approximately 150 feet southerly of Redding Road. Petition called for a reclassification of property from an R-1: B-D zone and R-1-A: B-D to a C-1-H zone.

Pundita Circle Holds Guest Day

Pundita Circle held its annual Guest Day Luncheon at Villa Felice on April 8th, when members and numerous friends enjoyed a delicious repast at a table appointed with Spring flowers and floral place cards. Mrs. Fredrick Nybro, president, gave a speech of welcome and expressed the group's appreciation of the decor by Mrs. B. H. Lee and arrangements made by Mrs. Kenneth Bitzer. Mrs. Nybro introduced the committee in charge of the event. A blessing upon the luncheon was asked by Mrs. Corwin H. Olds.

Guest speaker of the afternoon was Mrs. Calvin Cope of Monterey, who, with her husband, director of Adult Education in Monterey, recently spent nine months in India. Mrs. Cope's talk on that country was colorful and thought - provoking, presenting many little-known facts. The India depicted by sensational books does not exist, according to Mrs. Cope. The people of India are very much like the people of the United States, kindly, progressive and with a keen sense of humor. Unfortunately, said Mrs. Cope, some of their ideas of Americans are as inaccurate and weird as some of our ideas about them. Whereas many of us believe that Indians still have a caste system and that Indian widows are burned on the pyres of their husbands (a custom prohibited by law for the past century), some Indians believe that lynchings are common in the United States. Such misconceptions regarding our country, the speaker stated, abet the spread of communism in India, while real knowledge of our democracy would help to defeat communism there; India has 360,000,000 people who could be on our side.

Mrs. Cope reviewed the history of India briefly, explaining the origin of the caste system and the reforms of Ghandi, who transformed the "untouchables" into the "children of God." It is still customary for parents to find mates for their children, largely because of the fact that most Indian girls are still secluded and protected. Advertisement for spouses is common; more and more, "matriculate" wives are requested. The movies, said Mrs. Cope, are gradually improving the lot of Indian women, as they reveal the modes and mores of western women. Clubs play a prominent part in feminine life in India, but there are few social clubs; organization is for service and improvement..

Since 1930 the legal marriage age for girls in India has been 14; club-women are presently attempting to raise that age to 16 in order to combat the tremendous birth rate. Another progressive movement is that of non-profit cafeterias operated for the purpose of improving the national diet. India also has its own seed farms now; under British rule it was largely dependent on imported seed.

India, so often thought of as a land of snakes and elephants, has few of either, said Mrs.Cope. During her extensive travels over the country she saw only four elephants; there are, however, still cobras in the northern section and wild elephants in the south.

Mrs. Cope displayed lovely jewels of jade and silver, exquisite carved and ornamented boxes and evening bags of velvet and gold which she purchased in India, as well as betel nut, which the ladies of the gathering were invited to sample.

Grammar School PTA Installation Combines Fashion Show And Party

Members and guests of the Campbell Grammar School P.T.A. enjoye dits first installation party Tuesday afternoon. They were seated at attractively appointed card tables, covered with pastel cloths and centered with a Spring flower and miniature umbrella arrangement, while they viewed a fashion show featuring summer cottons and play clothes furnished by two local shops.

The models for the style show were Mrs. Burch Calkins, Mrs. Richard O'Flyng, Mrs. Richard Strong, Mrs. W. G. Scoville, Mrs. Victor Carlino and Mis sCarol Eason, and the juvenile models included Becky Morell, Judy Campbell, Jerry Strong, Marlyn Means, Linda Cory, Ronny Morton, and Duane Brown. Mrs. W. B. Morell served as commentator.

At the conclusion of the fashion show, Mrs. Dorothy Royce was introduced by president, Mrs. Richard O'Flyng, who in turn installed the following officers for the coming year: Mrs. Richrad Morton, President; Mrs. Albert Bariteau, 1st Vice President; Mrs. Frank Lima, 2nd Vice President; Mrs. H. Tragahdh, 3rd Vice President; Mrs. F. L. Wilson, Secretary; Mrs. Royal Page, Treasurer; Mrs. Thomas Totaro, Auditor; Mrs. Leonard Campbell, Historian; and Mrs. R. W. McArdell, represented by Mrs. Loyd Brown, Parliamentarian.

Mrs. Richard O'Flyng presented Mrs. Morton with the President's pin, and the latter, in turn, gave Mrs. O'Flyng the pin of the Past President and a gift in appreciation for her fine work of heading the organization during the year.

Instrumental music, furnished by Mr. and Mrs. Richard Gordon and accompanied by Jack Barrett, was presented during the afternoon.

Recognition was given to Mrs. W. B. Morrell as chairman for the party and to her committee of Mrs. Homer Hyde and Mrs. Victor Carlino, who had charge of the models; Mrs. Lloyd Sloane, decorations; Mrs. Frank Lima and Mrs. Richard Max, wardrobe; and Mrs. Thomas Totaro and Mrs. Elmer Hammer, refreshments.

Events Planned For Bethel 174

Bethel No. 174, International Order of Jobs Daughters, of Campbell, will meet April 11, for conferring of majority degrees.

Girls who will receive degrees are: Mrs. Leseth Stewart, Mrs. Mary Lou Williams, Mrs. Beverly Andrews, Mrs. Janet Catalone.

The group plans to visit a Shrine hospital next Saturday, March 18 at San Francisco after which they will spend some time at Fleishacker Zoo. They plan to leave at 8:30 a.m. and expect to be back by 5 p.m.

On April 18, members will attend Los Altos for a visitors Bethel night. Courtesy officers at this affair will be Senior Princess, Sandra Howard and Chaplain, Leilani Johnson.

Mrs. Arthur Mumm Will Perform At WSCS Spring Tea

Women's Service Club of Campbell will present their annual Spring Musical Tea April 30 at the Campbell Methodist Church, with Mrs. Arthur Mumm, dramatist, pianist, and book reviewer, as the featured artist.

Speaking of Mrs. Mumm, a club president recently wrote of her performance, "A dramatic personality, of delicate wit, and clever presentation. Perfect entertainment. We want a repeat next year."

Mrs. Mumm is a graduate of University of California, Berkeley, who majored in literature and languages. After graduation she taught drama in private and public schools. During World War II, she was attached to USO, entertaining service units in California. Her pianologs were presented at many military posts throughout the state. Many types of organizations from Men's military clubs to Women's service clubs have enjoyed her performances. Her pianologs and dramalogs run the gamut from humor to nostalgic philosophy and are composed from poems gathered through many years. All are set to her own music.

Mrs. Mumm has maintained her interest in literature by doing book reviews which during the past two years have been chosen for "Book Section Day" at Sacramento Tuesday Club. This group of 1200 women gather yearly in groups of 25 to discuss a list of top reading.

It has been the policy of Women's Service Club of Campbell each year to sponsor a young artist in this area. This year the group will present Gilberr Johnson, violinist accompanied by Mrs. Vah Rossen.

Decoration chairman, Mrs. Earl Buck, announced that decorations for the Spring Tea will resemble a garden scene with a white petticoated maid in sunbonnet watering flowers. Mrs. Rudy Golden is the general chairman. Tickets are available from members of the club.

Along-time tradition of the GARRISON clan was observed on Easter Sunday, when members of the family gathered at Anderson Dam for a potluck picnic. Approximately 30 were present, while four cars full of kith and kin unfortunately missed the route and went otherwhere. At Anderson Dam, where Nature was in her fine Easter garb, the men and youngsters fished; the total catch added up to one small fish caught by one small boy—but fun was had by all except the fish.

Those present included Mr. and Mrs. CLARENCE THOMPSON an dfamily; Mr. and Mrs. FRED MYERS and family; Mr. and Mrs. CECIL HUGHES and family; Mr. and Mrs. ROY HALL and family; Mr. and Mrs. KENNY FREDEAU and family; the Reverend and Mrs. JAMES GARRISON and family; Mrs. BERTHA BARNETT and her son, CALVIN BARNETT, who recently returned from Korea; Mr. BILL HOWE, and Mr. JERRY PATON. Mrs. MATTIE GARRISON was unable to attend the reunion because of an illness from which she has since recovered.

The DeMolay Mothers' Club of Los Gatos met at the home of Mrs. E. A. Thompson with Mrs. Gunner Peterson as co-hostess. Plans were made for a rummage sale tentatively set for May 15 and 16.
